Early Bird Rider Fee until July 15:
\$550 (\$600 after)

Early Bird Non-Rider Fee until July 15: \$100 (\$115 after)

Bike2Gether: Bikes & Bourbon is a 4-day, fully supported bicycle tour of Kentucky's signature landmarks, bourbon distilleries, beautiful backroads, and thoroughbred horse farms. Join us from October 5-8, 2018, as riders from Israel, Budapest, and around the U.S. explore new friendships, quiet country roads, quaint communities, and local distilleries nestled amongst the rolling bluegrass hills.

In honor of Israel's birthday, each day will feature a 70-mile ride, as well as shorter rides, combined with distillery stops. As a Partnership2Gether (P2G) program, riders and non-riders will have a unique Kentucky experience while strengthening connections between the Western Galilee, Budapest and U.S. Central Area Consortium P2G cities—a fun way to engage with Partnership!

Past participants in P2G Israel bike trips have called their experience transformative—inspiring their ongoing and increased Partnership participation and friendships with their Israeli and U.S. peers. Whether it is a love of cycling, a passion for Kentucky's unique spirits, or a desire for personal connections among our Partnership community, this trip is for you.

With their unrivaled enthusiasm and joy of bicycle touring, The Jewish Federation of Louisville has partnered with Louisville Bicycle Tours. Louisville Bicycle Tours combines experience in international bike touring logistics with local knowledge of Kentucky geography. With this combined experience, you will have a fantastic bicycle tour you will be talking about for years to come.
